I met Mr. Calhoun in 2016 when he joined my husband's music group and began coming to the house on a regular basis. I immediately liked him - his wit & intelligence make him a great conversationalist. His kindness makes him a great listener. He is one of our closest friends and one of the best men I have ever known.

I have never known McCall to be violent but instead compassionate and caring. When my father passed he assisted my mother with his will and other tasks. He also helped finish outstanding tasks for my dad's law practice. He is also willing to help friends and family in times of need.

McCall loves our country and like many of us ~~is~~ is passionate about our country's future. He has an excellent knowledge of government and the laws and I truly believe he had no ill will in his actions.

I became acquainted with McCall Calhoun in September 2019 when my first cousin was arrested on charges of elder abuse involving my aunt. Mr. Calhoun chose to represent my cousin even though he was unemployed and not likely to be able to provide payment in a timely manner. Mr. Calhoun diligently represented him as the case stretched on for months and the charges were eventually dropped. Mr. Calhoun also assisted my cousin in his personal life by demonstrating loyal friendship and perseverance both during and after the legal process. Mr. Calhoun's dedication was evident during the times I met with him to discuss my cousin's case. I have known his sisters for many years and during this time have heard of his devotion to his family members.

Hello,

My name is Mark Israel. I reside in Sumter county Georgia within a mile of where my family settled around 236 years ago. I am also a life long Sumter county resident. I've known McCall Calhoun since I was 6 years old. He and I started school together at Southland Academy in Americus Georgia the city McCall grew up in and where he now practices law today. I've known Mr. Calhoun basically my entire life. As an adult I have always known him to be a reliable and responsible person. A man of the law he practices. He is grounded in Americus Georgia along with his elderly mother of which he is the primary caregiver. My lifelong impression of McCall is that he is an honest and dependable citizen of Sumter county that to my knowledge has never given anyone a reason to think otherwise. I've been asked a few times to write "character letters" before. This one is the only one I have ever felt was worthy of a response. I have faith that McCall will do what the court asks him to without question.

Thanks for your time, and thank you for considering my words.

I am Richard L. Hawkins, Jr. I first met McCall Calhoun in 1984 as we crossed paths as musicians. Although we have met, I have rarely been in his presence or communicated with him. I have however known of him for all of these years and have never heard a derogatory word about him. Because of this I have always respected him. That respect grew in 2019-20 as he represented a family member. During that case I found McCall to be very open and honest, providing effective counsel, which led to the charges being dropped. I was very impressed with the respect he showed us all.

I met McCall Calhoun at the University of Georgia Law School in 1987, and we graduated together in the Class of 1990.

I have kept in touch with McCall and his family since that time and over the years.

I attended McCall's wedding in Athens, Georgia in 1992 and he and his wife attended my wedding in Eigeltingen, Germany in 1993.

During 1997 we collaborated on a successful action against the Sheriff of Sumter County who was charging a unilateral "surcharge" on bonds, obtained relief for those adversely affected, and ended the wrongful practice.

I am familiar with McCall's professional and personal life and interests, and none of these have included violent behavior of any kind.

Over the past year McCall has been increasingly concerned about censorship, and gun rights, but these views have always been based on genuine concerns about the First and Second Amendments of the U.S. Constitution.

I am confident that if allowed bond McCall will appear wherever and whenever required by a Court. He always shows up.

I am confident that if allowed bond McCall will not commit any crimes, or threaten witnesses, and will follow any instructions given to him to by the Court.

To Whom It May Concern:

I have had the pleasure of knowing McCall Calhoun since he first became a patient in my practice in May 2018. He has been back to the office on several occasions since. I have also had the opportunity to ask legal advice of him. Mr. Calhoun was very willing to help with his advice without compensation.

He has served our community as a criminal defense attorney for many years. I know that he works hard on his cases, and often with little compensation. He takes his practice seriously.

Mr. McCall Calhoun is a legal practitioner who has served Sumter County generously for many years. He is known by me to be honest, and truly cares about people. I believe he will follow through with the requests of the court in a professional manner.

Sincerely,

Leonard R. La Russa, DPM
